## Instructions - Bookmark:

1. Print the Reading Log bookmarks (page 1) on cardboard.
2. Print page 2 on the backside of the Reading Log bookmarks you've just printed (if needed - we never used the reverse side of the bookmark).
3. Give a new bookmark to your child every time he receives a new reader.
4. Let your child write the name of the book on the bookmark.
5. Let your child record the pages read and the date he read those pages.

## Instructions - Books l've Read

Let your child record the details of the books he read, and give a rating of what he thought about the book by colouring the stars.
