

# The Moghul Emperors of India

- Aurangzeb focused his energy on trying to conquer the southern parts of India, including the Deccan.
- The Marathas were Hindu tribes who helped the people of the Deccan fight Aurangzeb.
- The British established a trading post in Calcutta. From here, they eventually took over India!

## NEW WORDS!

**Ambassador** - a special state official, sent by one country to another in order to help the two countries be friends.

**Mausoleum** - a tomb.

**Koran** - Muslim holy book.

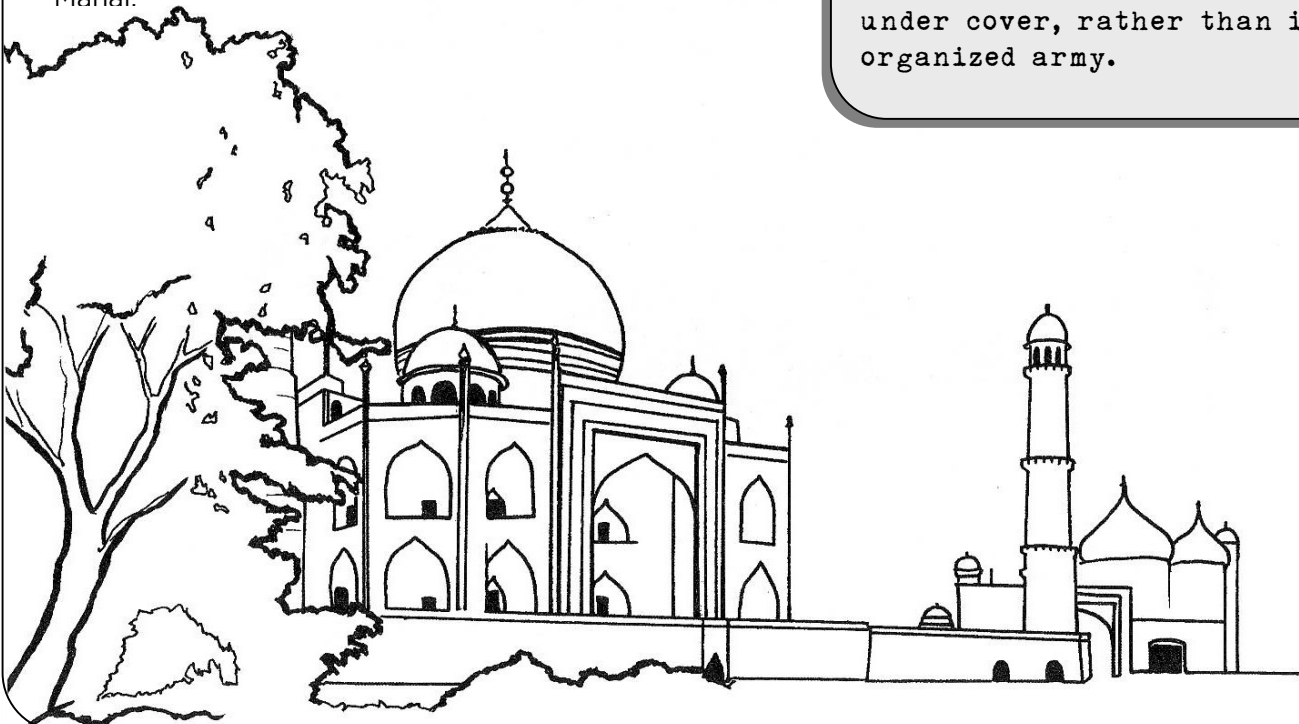

**Shari'ah** - the law of Muslim faith.

**Deccan** - southern lands of India.

**Marathas** - Hindu tribes.

**Gorilla warriors** - soldiers who fight in sneak attacks and from under cover, rather than in an organized army.

When his wife Mumtaz died, Shah Jahan decided to build a tomb, or mausoleum, that would show the whole world how much he loved her. Twenty thousand craftsmen laboured for twenty years to build the Taj Mahal.
